

## Thomas County Schools Travel Regulations, based on State Travel Regulations

1. Employees are required to submit travel reimbursement reports within 45 calendar days of completion of travel.
2. Mileage reimbursement is .575 per mile, effective 1/1/2015. Prior to this date, the rate was .56 per mile from 1/01/14 until 12/31/14.
3. Employees should use a school system vehicle for travel unless one is not available. If an employee chooses to use their own vehicle instead of a school system vehicle then the mileage reimbursement will be at a lesser rate (currently .23 per mile). However, if a county vehicle is traveling to the same destination, and the vehicle has sufficient room for another passenger, an employee will not be paid the lesser rate. System vehicles can be requested by contacting the bus garage at 225-4386.
