Thomas County Elementary Schools will host the Jack O’ Lantern Trail Run on Saturday, October 22. The trail run will take place at 5:00 PM and will be followed by the fun run at 6:00 PM.

This week we began talking about our families. We have learned that our families are all different and we also learned how we can be a school family by being respectful and being a good friend. During large group, we started Handwriting without Tears and learned that we always start our letters at the top! We learned that letters are made with long lines, short lines, big curves, and small curves. When we explain how to write letters, this is the terminology that we use. Everyone did great! In small group, we have been working on simple patterns using colored counting bears and one to one correspondence. You can help your child create simple patterns using materials around your house!

Hand-in-Hand Reads a Hundred Grand:

Reading total last week: 105 BOOKS... Great! ☺️
READ, READ, READ EVERY NIGHT!!! ☺️

Amazing Words:
Parents, please try to use these words in conversation this week. It will help reinforce what we will learn when reading our OWLS stories this week.
