## 2. SCHOOL IMPROVEMENT GOALS

# 2.1 Overarching Need # 1

Overarching Need

| Overarching Need as identified in | Student Achievement: Increase student performance in reading and math.                      |
|-----------------------------------|---|
| CNA Section 3.2                   |   |
| Root Cause # 1                    | Teachers not implementing the Bookworms components with fidelity due to the lack of         |
|                                   | continued professional development.   |
| Root Cause # 2                    | Coherent Instruction & Effective Leadership: Tier 1 core instruction may not be taught      |
|                                   | with fidelity to meet the needs of our student population within our school, primarily with |
|                                   | the foundations of reading.   |
| Root Cause # 3                    | Students lack grade level skills upon enrollment and require remediation.                   |
| Root Cause # 4                    | Lack of effective Tier 1 instruction in the classroom.                                      |
| Root Cause # 5                    | Lack of effective differentiated instruction in the classroom                               |
| Goal                              | To increase the number of students identified as at or above benchmark in reading and       |
|                                   | math by 3% each year.   |

| Action Step                    | Consistent implementation and monitoring of small group reading instruction during the 2.5 hours of ELA/reading block which will include phonics and writing (Bookworms & Write Score) and 1.5 hour instructional math time (state math units and Mountain Math) in the school day and scheduled intervention time during the school day. |
