

Mr. Gary and Mrs. Lisa's

## Weekly Newsletter

April 15-19

### What I Learned this week:

Mr. Gary's group Read Chickens aren't the only ones. Students got to become Paleontologist.

Mrs. Lisa's group made dinosaurs using different shapes

Independent group 1 used Seesaw to make patterns using dinosaurs

Independent group 2 played Dino Munch by rolling a dice and picking the colored leaf out of the dinosaur nest

### Important Dates:

May 6-10 Book Fair

May 6- 11:30-12:15 End of year celebration
