

Viewing healow TeleVisit Appointments - Patient View

Patients that cannot travel, or live in remote areas, can take advantage of eClinicalWorks healow to visit their doctor through a two-way video visit. Patients must be Web-enabled to access healow. They can log in to healow using their eClinicalWorks Patient Portal credentials.

Once an appointment is created for the healow TeleVisit, the patient will receive an e-mail with an appointment confirmation.

Note: A webcam must be installed and functioning on the machine that is used for healow TeleVisits.

Accessing healow TeleVisits from the patient portal

- 1. Go to your practice's patient portal
- 2. Enter your patient portal username and password. (This should have been received by email upon enrollment. Contact your provider office should you need assistance with that information).

3. The patient portal dashboard will open with a link to Join TeleVisit

The Intake Questionnaire linked to the visit displays.

- 4. Enter the responses, and then click Submit Questionnaire
- 5. Enter any vitals and click Submit Vitals
