Public Participation Request Form

The Thomas County School System believes that public involvement is an essential element for a successful school system. Board meetings are public meetings and not meetings of the public; however, any resident of the school district, parent of a student attending its schools, employee, or other stakeholder may request the opportunity to speak to the Board as part of its regular, monthly meetings during the time set aside on the agenda for public participation. To be placed on the agenda to speak at the regular monthly meeting of the Board of Education, this completed form must be returned to the Office of the Superintendent at least 24 hours in advance of the meeting.

Only one participant should be listed on this form. Participants will be given three (3) minutes to speak before the board if this request form is returned within the required 24 hours. The Board Chair shall have the discretion to limit the length of time for individual comments and the number of citizens speaking for or against an individual matter. Items which are excluded from the Open Meetings Act will not be discussed during the Public Participation Session. This includes certain land, legal references, individual discipline cases, and personnel items. Speakers are asked to keep their remarks civil. Profane, rude, or defamatory remarks and personal attacks will not be allowed. Any person willfully violating these rules may be prohibited from appearing before the board for up to sixty (60) days or more. If applicable, multiple speakers from a group or organization should appoint a single representative to address the Board.
