

Ms. Brooke, Mrs. Renee, Mrs. Susanne, & Mrs. Erin's class

Date: August 22-25, 2022

We are learning:

This week in our classroom we really go into the everyday routine. We started going to our specials each day and enjoyed the Library and Music room. Next week we will add in PE. We are so excited! In small groups we read our class made book and got to guess whose shoes were whose! The children LOVED this. We also played with playdoh and practiced using the different playdoh tools and sorted counting bears by color. Our focus books this week Peeny Butter Fudge, Charlie Anderson, and A World of Families. We read many other stories throughout our day and encourage you to read to your children at home each day as well. This week our Nursery Rhyme was Humpty Dumpty and our letter of the week was A. I hope you all have a wonderful weekend and we see everyone back on Monday!

Dates to know:

9/5- Labor Day

Holiday(No School)

9/12-Grandparents day
