Dear Parents,

We are now offering you the opportunity to register online for Parent Portal. Parent Portal will allow you to access your child's schedule, grades, and attendance online and at your convenience. You will also be allowed to update your address and/or contact information through Parent Portal.

To register, please go to www.thomas.k12.ga.us and click on the "For Parents" tab located at the top of the web page. Follow the three steps under the "How do I register for Infinite Campus Parent Portal?" area. You should see the directions to register online for the Infinite Campus Parent Portal and the link to access the registration page.

On the registration page, you will need to provide your child's ID number, his/her Social Security number, and his/her birthdate before receiving an activation GUID code. Your child's ID number is his/her lunch number. Once you receive your activation code, you will need to write it down so that you can key it in on a linked page. At this time, the system won't let you copy and paste the code.

After writing down your code, click on the "Activate Your Parent Portal Account Now" link. You will be directed to a green Infinite Campus screen where you will enter your personal GUID code in the boxes provided. Last, you will need to create a username and password.

To access Parent Portal in the future, you will simply go to <https://www.thomas.k12.ga.us> and click "For Parent." Then you will need to click "Infinite Campus Portal Login" and type in your username and password.

If you have any questions, please feel free to contact me @ 229-225-4380 ext. 160.

Thanks,

Sunshine Denney
