

Mrs. White's Behavior Plan

I firmly believe students will achieve more academically if they feel respected, loved, and safe. For that reason, Positive Behavioral Interventions and Supports (PBIS) will be implemented in our classroom. Students will be recognized for being responsible, respectful, and ready to learn. The expectations will be taught, modeled, and retaught throughout the first two weeks of school. As needed, these expectations will be revisited.

If a student is caught following an expectation, specific and immediate feedback will be given. In addition, students will receive Dojo points for making great choices. Dojo points can be “cashed in” for an intangible reward or saved to earn a bigger reward.

When the whole class is caught following expectations, it will make the teacher feel warm and fuzzy inside. A “warm fuzzie” (AKA a cotton ball) will be placed into our Warm Fuzzies Jar. When the jar is full, the class will nominate and vote on a whole class reward.

Expectations and Dojo Rewards are included below.
