16 Hall C Graduation 9 a.m.

The end of the year is quickly approaching! On **Wednesday, May 16th**, our wing will graduate from Kindergarten. Please begin making arrangements now and make every effort to be here, for your kiddos, that day! It is such a special event for them, and we want you to share it with them. You may also want to plan to do something special with your child to celebrate their achievement that day. Your child will not have an attendance penalty if they are signed out after graduation. We encourage you to make this day special for them!

Fun Ways to practice sight words:

Can you spot the word? Make a list of sight words, see how many your child can find on a magazine or newspaper page. Have them read the words, count how many they found and write the number. Also, have them tell you what word they found the most of and least of.

About the zoo trip:
