

Fall Festival Carnival

On Tuesday, October 31st, we will have our "Harvest Carnival" on our wing. We will go from class to class playing games and the children will get treats.

Your child may also wear their Halloween costume, but **no "scary" outfits and no weapons**. A few examples are cowboys, cowgirls, football players, fairies, princess, super hero etc. (**no weapons**). Please make sure they can run and play and go to the bathroom on their own in their costume. You might want to save the store costume for Halloween night so it is not messed up. You may also send a change of clothes or they may wear their regular clothes under the costume.

To help out with this fun event, please send 1 large bag (it needs to be enough for 24 kids) of individually wrapped treats, like: mini candy bars, M&M's, skittles, lollypops etc., for us to give as treats. Also, if you would like to come around 9:00 a.m. and help out, we would love to have you!!

I have sent home notes to different parents to help with our special snack after the Carnival. In the afternoon we will be making a special treat.

Thank You!

Mrs. Lin & Mrs. Trudy
