- *If you have not signed up for "Remind" please take a minute now and do it.
- *We start learning at 8:00.

Solar Eclipse

Monday's solar eclipse was a GREAT learning experience. The children enjoyed going out and seeing the moon pass in front of the sun. They did a great job of keeping their special glasses on. I wished I had taken pictures of them, but I was too busy walking them in and out of the classroom to see the eclipse.

We have spent the days after the eclipse writing and drawing about it. I'm very proud that the children understand about the eclipse.

Standards for the Week:

Reading : I can take part in a conversation.

I can recognize rhyming words.

I can answer questions about key details in a text.

Math: I can count to 50.

Science/Social Studies: I can tell you about the eclipse.

Why play is important: When children play, they are using advanced thinking and skill development in all areas.

I want to thank the parents that sent in snack this week. Thank You. The children enjoy the midmorning snack.

Please be sure to check your child's folder EACH night.

Don't forget I must have a note or a phone call if your child is going home a different way. This is not my rule this is a school rule.

Lunch 12:20

Specials: Monday- Block Room,

Tuesday- Music, Wednesday- Library,

Thursday- Computer, Friday- P.E.

Need to reach me? The best way is to send a note in your child's folder. You can also call 225-3808 and leave a message or email me at: lmclune@tcjackets.net
