This week the children have been having fun with fall. We have painted leaves, practiced sight words and counting with some fall games. Thank you to everyone that came to our **Chick-fil-A** night on Tuesday. We appreciate your support.

Change of Clothes

Please send in a change of clothes for your child to keep in their cubby. I'd suggest short sleeves and long pants...just because it's starting to get a little cooler. Students spill milk and get in mud on the playground weekly.

Why play is important: When children play they are imitating real-life situations and experiences.

From the Office:

Bus/Pick-up changes must be made by writing a note to the teacher or calling the front office before 1:30. Changes may not be made through email. Teachers may not be able to check email during the instructional day.

Homework- Have Fun with it!

- Read at least 1 book to your child each night and fill out the reading log. Reread a story and have your child fill in the missing part.
- Have your child tell you the numbers they see in the newspaper, signs or on sale ads.
- Ask your child to count to 50.
- Use your sight word flash cards when you play a board game. Or write them on the driveway with chalk and hop/jump on them.
