

The 100th Day of School

On Friday, January 26th, we will celebrate the 100th day of school. This is an exciting day in Kindergarten! In celebration of this special day, we are asking each child to bring a collection of 100 small items. I have listed some suggestions below. Bring the items in a Ziploc bag or container on Wednesday. We will share these during Math time on Friday.

Thanks for helping your child at home. . . you're GREAT parents!!

Here are a few suggestions:

Straws, pennies, rocks, fruit loops, stickers, paper clips, toy cars, cheese balls, toothpicks, pencils and macaroni, craft sticks.

^^ BE CREATIVE!! ^^

Thanks,
Mrs. Lin and Mrs. Trudy
