This week we...

Wow another great week in Pre-K! We have been busy learning about so many centers in our classroom. This week we opened up art, literacy, writing, and science! We worked on our fine motor skills by cutting and gluing. Next week we will begin "signing in" every morning by tracing or independently writing our names. We will also get to learn about the "busy boxes" we can work with after we sign in. We will finally open the rest of our house area - the kiddos have been waiting so patiently for this center to open up! Exciting things happening here!

Wish List

snacks

empty food/cereal boxes

We have had a blast finally getting to go to our specials this week!

Please send in a plain white t-shirt for us to tie-die for your kiddo. We wear them when we go on field trips. No rush...we're just trying to plan ahead! Thank you!
