This week we...

We've had a short, but super fun week. We have been working hard practicing songs for our Grandparents' Day. We have loved eating in the lunchroom. Please give us some time to get used to our new lunchroom routine before you come to have lunch with your kiddo. This week we opened up the last two areas of our classroom, paint and the sensory tub. We are all opened up - YAY!

Wish List

snacks

quarters for a cure.

Thank you for sending in quarters! The kiddos are really enjoying filling up our BIG bucket. We will be collecting for the rest of the month of September.
