### Here's a Peek at Our Week:

During literacy time we read Caps for Sale & The Egg. We discussed the characters, setting, problem and solution. We also learned how to make inferences about what would happen if... We loved making mental pictures in our heads. For word study, we continued with our friends' names and the letters in our names.

In math we are learning how to subitize and tell "how many" very quickly! This is important for fluency! All About Me was our theme in Social Studies this week. We loved sharing our "Me Bags"!

Sight Words we will learn are:

the, of, and, a, to, I, in, is, you, that, it, he, was, for, on, are, like, me, she, can, go, my, this, play, be, down, here, her, we, jump, at, see, as, with, his, this

Please practice these at home each night with your little !!!!

**DON'T FORGET TO SEND IN PICTURES FOR OUR FRIENDS & FAMILY BOARD!!**

### Behavior!

We have established our classroom Promises (Rules) and have practiced our daily routines for the last 2 weeks. We will continue reviewing these next week. Please encourage smart choices at school. We are all "too smart" to not be good listeners. Our standards and nature of learning are more structured than in Pre-K. I will be in touch soon if your child is having issues with transitioning into Kindergarten.

### Benchmarks

**We will begin Beginning the Year Benchmarks Monday. Please make sure that your little is here on time!!**

### Mission Statement & Contact info
