

What's BUZZIN' at

Hand-In-Hand Primary School

March

Principal's message

Spring is right around the corner and the weather should be clearing up soon for playing outside! Exercise is just as important for a child's growth and development as learning the ABCs and 123s. Children who exercise have fewer health problems and are better able to attend to academic tasks!

UPCOMING DATES

Feb 28-March 4 Dr. Seuss Week
March 5- Lucky Scramble
March 8- Papa John's Night
March 11-Teacher Workday
March 16- Spring Pictures 3K/PK
March 17- Spring Pictures K/St. Patrick's Day
March 18- Report Cards Issued

Common Sense Media has great resources for internet safety!

Here are 25 free educational websites for kids!

Storyline online has great read alouds for kids!

Nurse's News

Keeping your hands clean is one of the best ways to keep from getting sick and spreading illnesses!

The Library

Here are some ways your child can stay safe online:

- Ask your parent or teacher before getting online.
- Keep personal information private.
- Only go to sites that are just right for them.

Coach's corner

Thank you for all your support for our Lucky Scramble Golf Tournament!

Counselor's Corner

This month, the students participated in a kindness challenge. I shared challenges with them daily on our school's morning show, and the students committed to trying to complete each day's challenge. Some examples of their challenges were to "smile at every person you see", "have a complain-free day", and "invite a new friend to play during recess." It was so fun to see and hear about these being carried out throughout the school. Our school is so special, and part of that can be attributed to how much effort our staff puts in to ensuring our school is a loving, nurturing environment for your children.

Family Engagement Coordinator

Children need to know they are loved, that you are proud of them and pleased by the accomplishments. Show your child you care:

- Find ways to say "I love you" everyday.
- Make time to talk with your child and listen to what he/she says.
- Monitor your child's school work. Talk about his/her progress and acknowledge his/her accomplishments.

School Resource Officer Day

Happy TWO's Day
