

What's BUZZIN' at

Hand-In-Hand Primary School

Principal's message

We are off to a great start at Hand-In-Hand!
We will always do our best to help!

Few Reminders:

- Students need to wear tags everyday
- Make transportation changes **before** 2:00
- For all bus-related questions, contact:
 - Mr. Robert Young, Thomas County Bus Garage at 229-225-4386
 - Mrs. Alacia Herring, Assistant Principal at 229-225-3908

Looking forward to another great year at Hand-in-Hand!

FAMILY

Nurse's News

Help us prevent the spreading of
illnesses!

- Cough or sneeze into a tissue, your elbow, or your shirt.
- Practice good hand hygiene.
- If your child is showing signs of illness, temperature over 100.4F, diarrhea, or vomiting, keep them home and monitor them.
- Clean surface areas frequently that are touched by hands.

The Library

I am Carole Bevis, and I am the Media Specialist at Hand-in-Hand. We are looking forward to the activities we will have in the library this year. I love introducing your children to some of the new and exciting children's literature, as well as the old loved classics.

We are also excited about the new look of the library as we have new furniture to use for reading and maker space activities. Please visit the Media Center webpage from time to time to see what your child is doing during their library time!

coach's corner

My name is Hanah Taylor, and I'm the P.E. coach here at Hand in Hand. I'm looking forward to an awesome year full of fun activities!

Counselor's Corner

My name is Dara Creech, and I am new to Hand-in-Hand this year. I moved over from Garrison Pilcher, where I was the school counselor for the past 7 years and a second grade teacher for 7 years prior to that. I am thrilled to be at Hand-in-Hand and be a part of your child's first school experience! I believe Hand-in-Hand lays the groundwork for all the outstanding opportunities the Thomas County School System has to offer.

Your child's teacher shared the article, "The Importance of Saying Goodbye to Your Child." Most of our students are transitioning amazingly well, but this is a great reference on the importance of a goodbye routine for children.

Family Engagement Coordinator

My name is Mary Dennis, the Family Engagement Coordinator. Below are tips on how you can help your child achieve academic success and support our school and community.

- Volunteer
- Attend Parent/Teacher Conferences (whether in person, on ZOOM, or phone conference)
- Attend Parent Workshops
- Read to and with your child regularly
- Limit student absences and tardies.
- Talk to your child about his/her day. Ask questions that will engage your child in conversation like "tell me about small group and story time, what book did you listen to, or what happened in the story."
- Check your child's book bag & folder daily
- Communicate with your child's teacher
- Participate in school programs like Box Tops for Education and Publix Partners
