Thomas County Central High School
Mrs. Lisa Stephens**

COMMUNICATION:

- Email: lstephens@tcjackets.net
- School Phone: 229-225-5050 Ext. 2772

CLASSROOM MANAGEMENT:

I will protect every student's right to learn and enjoy school and that's just the way it's going to be. In order to do that, the following rules are non-negotiable.

1. Listen and follow directions.
2. Respect your classmates and your teacher.
3. Maintain a quiet and orderly learning environment.
4. Use technology appropriately and with permission.

Rule #1: Listening includes silently looking at the speaker. When I need to get your attention, I will ask for it. Comply with directions immediately or as instructed.

Rule #2: In order to protect each person's right to learn and enjoy school, we must all show respect for each other. Rudeness or inappropriate speech will not be tolerated.

Rule #3: A quiet and orderly working environment is necessary for learning to take place. Speak when asked and with the appropriate volume. Do not make unnecessary noises which may be a distraction to learning. Transition to assignments or activities quickly and quietly. Protect school property and others' belongings from damage.

Rule #4: Practice good digital citizenship. Refer to the student handbook for proper use of student Chrome books. When using technology, follow directions and stay on task. Earbuds may be used with permission for specific assignments. Cell phone use is not allowed during class unless permission is given by the teacher for a specific assignment. **Failure to comply will result in confiscation of cell phone, earbuds or electronic devices.**

Consequences

One warning will be given to a student who breaks a rule. Continued disruption will result in the following consequences:

2nd offense - student/teacher conference

3rd offense - parent contact

4th offense - detention

Further disruption to the learning environment will be handled according to the student handbook.

* Please see the student handbook for a complete list of student behaviors and consequences for TCCHS. All school-wide policies will be enforced.

The WAY We Learn Collaboratively

Interactive learning is a vital part of this classroom. Students will receive a daily grade for discussion and collaboration each quarter. Five points will be taken from the total daily grade for each off-task infraction.

Assignments

Students are required to bring their Chromebook and textbook to class each day. Each student should provide a 3-prong folder with pockets which may be brought to class daily or kept in the classroom. Please have supplies ready to use at the beginning of class. Students should enter class quickly, pick up their folder and quietly have a seat to complete the bell ringer. All homework and assignments should be completed by the deadline in order to receive full credit. If you need to contact me through email, **please include the class period, the date, and the title of the assignment you need to discuss. No late work will be accepted by students who were present for the assignment. Complete work immediately as assigned.**

Group Work

Groups are assigned by the teacher only and will be for the term of an assignment. Group Work is an important part of the learning experience and students will need to learn to work together. However, each group member is responsible for their own work.

Class Discussion

Class discussion is a vital part of learning. However, discussions only work if we respect one another and allow each person to talk without interruptions. Signal if you have a comment or question and wait to be recognized by the leader before speaking. Write down your questions so you will remember them when recognized. The teacher is the discussion leader unless otherwise noted. You may earn bonus points for answering questions correctly!

Class Time

Attendance is vital to learning. Protecting class time is very important. Make every effort to arrive on time and stay in class for the whole period. Students will receive 5 bathroom/water passes per quarter. They must present them for a signature once they receive permission to leave the room. If they use all their passes, they may still use the restroom, but will be assigned detention to make up for the missed time in class. Do not interrupt class to ask to leave the room. Wait until notes or instructions are over. I reserve the right to refuse this privilege if abused. Each tardy will result in detention, after 5 tardies a discipline referral will be made. I dismiss the class, not the bell. Before dismissal, you must be in your seat and the area around your desk must be clean.

Students will abide by the policies of Thomas County Schools and Thomas County Central High School policies for tardiness, attendance, make-up work, and discipline. These policies will be strictly enforced.

Parents, I look forward to an excellent year of learning with your help and support. It is in your student's best interest that we work together in regard to his/her behavior to promote a positive learning environment. Please review this plan with your student, sign below and return it to class tomorrow. If you have any questions, please do not hesitate to call the school at 225-5050, ext. 2772 or email me at lstephens@tcjackets.net.

Thank you,

Lisa M. Stephens
