Community Service is an action, performance, or a “hands on” activity by an individual without compensation or academic credit whose effort will directly benefit others. Participation or membership in an extra-curricular club or organization does not constitute community service (i.e., meetings or rehearsals).

Students may earn up to six (6) hours of community service through projects involving donations such as Project Christmas Child, Salvation Army Can Drive, Ronald McDonald House Can Tab collection, Boxtops for Schools, etc. Students should check with their teacher for more detailed requirements.

Students will have two weeks after the end of a nine weeks term to receive credit for time earned during that term.

Students may not miss academic classes in order to complete the community service requirement.

**** Remember....it is the student’s responsibility to turn in forms in order to receive credit. Teachers will verify service, but credit may be issued only if the form has been placed in folder.**
