

Art Project Rubric

Name:		Date:		
Class:		Project:		
Circle the description which best matches the student's work on the project.	5pts.	10 pts.	15 pts.	20 pts.
Met Project Guidelines Followed directions/procedures	The student did not follow the project directions or proper procedures for the assignment.	The student followed few of the project directions and/or proper procedures for the assignment.	The student met some of the project directions and/or proper procedures for the assignment.	The student followed all project directions and/or proper procedures for the assignment.
Skills & Craftsmanship	The student showed no craftsmanship, lack of pride in finished work. The student's artwork looked unfinished.	The student showed average craftsmanship; adequate, but not as good as it could have been, a bit careless.	With a little more effort, the work could have been outstanding; lacks the finishing touches. *Eraser marks and overall neatness.	The artwork was beautiful and patiently done; it was as good as hard work could make it.
Creativity or Originality Use of Elements & Principles of Design	The student fulfilled the requirements of the assignment, but gave no evidence of trying anything unusual. The student did not plan the use of elements & principles of art/design.	The student tried an idea but it lacked originality, might have copied work, and substituted "symbols" for personal expression. The student showed careless use of the elements and principles of art/design.	The student tried a few ideas before selecting one or based his/her work on someone else's idea, made decision after referring to one source. The student considered some of the elements and principles of art/design into his/her artwork.	The student explored several choices before Selecting one, generated many ideas, tried unusual combinations or changes, and used problem-solving skills. The student planned carefully, applying the use of the elements and principles of art/design.
Effort/Perseverance	The project was completed with minimum effort.	The student finished the project, but it could have been improved with more effort, chose an easy project and did it indifferently.	The student worked hard and completed the project, but with a bit more effort it might have been outstanding.	The project was continued until it was complete as the student could make it; gave it effort far beyond that required.
Cooperation/ Attitude	The student allowed others to do most of his/her work, participated minimally, and exhibited no interest in the project.	The student was apathetic toward the assignment, complained, assisted in preparation and cleanup when asked.	The student participated enthusiastically, performed more than adequately, assisted in preparation and cleanup	The student willingly participated in necessary preparation or work for classroom, was sensitive to the feelings and knowledge of others, and exhibited a positive attitude toward assignment.
