

Mrs. Humphries' Behavior Plan

Students should follow the 3 "BEES" (Responsible, Respectful, and Ready to Learn). The rules are posted in the classroom and in the student's anchor binder. The Chart is also on my teacher webpage.

Class DOJO is the management system that I use in the classroom. Students can earn points and have points taken away for behavior. Students can earn a reward for every 25 points earned in the classroom.

To the left is the Behavior Chart I have displayed in my room to track student behavior. Throughout the day, I will move the students up or down the chart depending on behavior. At the end of the day, students will receive 1 DOJO point for Ready to Learn, 2 DOJO points for Good Job, 3 DOJO Points for Great Job. Students will lose 1 DOJO point for Think About It, 2 DOJO points for Teacher's Choice, and 3 DOJO points for Parent Contact. Notes will be in the planner if your child loses points.

As a class, we have a Class Compliments Chart posted. When the class receives a compliment, it will be posted on the chart. Once the class receives 10 compliments, a reward is given. The class must work together to earn a compliment.

THE WAY TO "BEE"!
