

7th Grade Reeves' Mathematics Syllabus Thomas County Middle School 2023-2024

Course Description:

The Georgia Standards of Excellence and Thomas County Schools Curriculum Department provides resources for parents regarding the learning objectives for the middle school and math courses offered in the middle grades. Grade level overview and standards can be located at the following address:

<https://lor2.gadoe.org/gadoe/file/81c7672d-3183-4010-908c-c8b4f53bf967/1/Grade-7-Mathematics-Comprehensive-Grade-Level-Overview.pdf>

Mathematics Concepts:

Numerical Reasoning	Solve relevant multi-step problems involving rational numbers in any form.
Probability Reasoning	Investigate chance processes and use probability in real situations.
Geometric & Spatial Reasoning	Solve problems involving angle measurement, circle, surface area, and volume.
Patterning & Algebraic Reasoning	Identify proportional relationships and explain them using tables, graphs, and equations. Create expressions that are equal and interpret expressions to explain relevant situations. Solve and represent situations using equations and inequalities with variables.

Milestone Practice and Information:

<http://www.gaexperienceonline.com/>

Parent/Teacher Communication:

Communication initiated by parents and teachers is essential to a child's academic and behavioral success. Methods of communications include conferences, the use of the student agenda, email and teacher websites. If anything seems unclear, please feel free to contact the teacher at any time.

Grading Scheme (On Level):

<i>Weight Names</i>	<i>Percentage of Grade</i>
Summative Assessments	40%
Formative Assessments	30%
Daily	30%

Teacher Contact Information:

Teacher Name	<i>Ms. Reeves</i>
Email	<i>kreeves@tcjackets.net</i>
Website	<i>https://www.thomas.k12.ga.us/2/olc/779</i>
Bee Smart Tutoring	<i>Daily from 3:00-3:30pm</i>

Recovery Policies:

Test and Quiz Recovery

All students are allowed 2 opportunities to recover for full credit of 100. All other opportunities will be for a maximum score of 80.

Formative & Summative Assessment below a 70 – Recovery is required.

Formative & Summative Assessment score 70 or above – Recovery is optional.
