

Mrs. Christine, Ms. Haley, Ms. Hannah and Ms. Anna's
Weekly "Buzz"
August 29-September 2, 2022

Important Dates:

September 5: Labor Day (no school)
September 12: Grandparents' Day
September 20: Pre-K Fall pictures

What We Learned This Week:

This week we finished our unit "My school and My Friends" by writing a chart story on how to be a good friend. In small groups, we learned about our five senses, sorted and made patterns and opened up the math and housekeeping areas.

Our Goal for Next Week:

Next week, we will begin our unit "Nursery Rhymes!" This is always a fun unit! We will read familiar nursery rhymes such as "Hey Diddle, Diddle", "Little Miss Muffet", and "Humpty Dumpty." We will act out a few of these nursery rhymes and will even do a fun experiment with Humpty Dumpty to see if we can save him from cracking.

Standards for Next Week:

CLL6.3b: Identifies and produces rhyming words with adult guidance.

SC1.4b: Uses simple tools correctly to experiment, observe and increase understanding

Quarters for a CURE...

We are collecting quarters for the whole month of September, in order to raise money for families affected by childhood cancer. Each week, the class with the most money raised will get a snow cone party. Please help us win and support this worthy cause by sending in those quarters!!

Reminders:

Now that we have established our morning routines, we have begun completing morning work. During our morning work, we work on counting, cutting, letter recognition, name writing and so much more. It is important to make sure that your child arrives on time so that they are not missing out on this instructional time.
