**This Week!**

We finished our Christmas unit. In small groups, we counted out cotton balls and made Santa's beard, practiced rhyming with Santa's elves, and explored wrapped gifts and described how they felt before opening them to see what they were. We acted out *S Little Reindeer* and *It's Christmas, David* in large group literacy.

We enjoyed dressing up each day! We also had fun at our Christmas party and book exchange. Thank you for making these fun events extra special for our class!

Have a fun, safe holiday!!
