Monday- wear Christmas socks

Tuesday- wear Christmas  
shirt/sweater

Wednesday- wear bright lights

Thursday- dress as an elf

Friday- pajama day

**What We Learned This Week:**

This week we continued our Christmas unit. In small groups, we drew Rudolph, made handprint Grinches, decorated stockings, and made a class book about what we could give to each other. In large group, we acted out S Little Reindeer and There Was an Old Lady Who Swallowed a Bell. We also ate breakfast with Santa. Our class elf, Peppermint, has been sneaking around the classroom and we've enjoyed describing where he is each day. Ask your child all the places we've found him so far!

**Our Goal For Next Week:**

Next week, we will finish up our Christmas unit and student-led conferences. We will make fun Christmas crafts and ornaments to take home to parents. We'll also play an elf position game, present sensory game, and build Santa's beard with a dice counting game. Next week, we will have our Christmas party, book exchange, as well as, cookies and hot chocolate!

**Standards For Next Week:**

*MAS.4a Uses appropriate directional language to indicate where things are in their environment - positions, distances, order.*

**Need to speak with me?** 

I am available 12:45-1:45 Mondays, Wednesdays, and Fridays for conferences. Please email me at [chsmith@tcjackets.net](mailto:chsmith@tcjackets.net) to set up a conference OR call 225-3908 ext. 315 and leave a message.
