

Mrs. Christine, Ms. Haley, Ms. Hannah and Ms. Anna's
Weekly "Buzz"
September 5-9, 2022

Important Dates:

September 12: Grandparents' Day
September 20: Pre-K Fall pictures

What We Learned This Week:

This week we started our unit on nursery rhymes.

We learned to recite several common nursery rhymes and used props to act out a few of them. In small groups, we talked about things that make us upset and how we can use calming strategies to help, played a 5 senses sorting game, and created new shapes using small blocks. In large group, we conducted a fun experiment to see if we could save Humpty Dumpty from cracking.

Ask your child, if we were successful!

Our Goal for Next Week:

Next week, we will continue our Nursery Rhyme Unit. We will discover why Jack and Jill went up the hill and find out what happened to Mary's little lamb, as we learn new vocabulary words including fleece and pail. In small groups, we will learn how to draw people with our Mat Man activity, create shapes using shaving cream and put name puzzles together.

Standards for Next Week:

SED1.4b: Identifies personal characteristics, preferences, thoughts and feelings

MA6.4a: Recognizes and names common 2D and 3D shapes, their parts and attributes

Quarters for a CURE...

We are collecting quarters for the whole month of September, in order to raise money for families affected by childhood cancer. Each week, the class with the most money raised will get a snow cone party. Please help us win and support this worthy cause by sending in those quarters!!

Humpty Dumpty fell off our wall and cracked! Then, we placed a pillow, rug, and stuffed animal under the egg and found that soft things kept the fragile egg from cracking!

Need to speak with me? 

I am available 12:45-1:45 Mondays, Wednesdays, and Fridays for conferences. Please email me at chsmith@tcjackets.net to set up a conference OR call 225-3908 ext. 315 and leave a message.
