August 8-12, 2022

We are learning:

Happy first week of school everyone! This week in our classroom we are learning all about each other and our classroom routines. We have talked about our expectations in our room and how to keep everyone safe. We read several books about starting school but our class favorite was How do Dinosaurs go to School. I hope your children know how loved they all are already. We hope you and your families enjoy the weekend and we can't wait to see you back on Monday.
