

# October

class newsletter

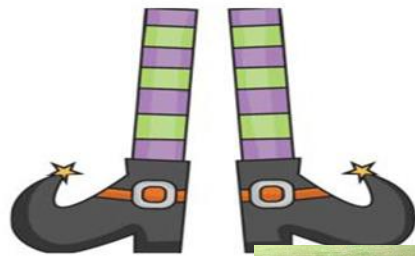

This week in small group we made a ghost with puffy paint, we talked about community helpers some more and we started practicing our handwriting skills.

This week we learned how to do the Monster Shuffle. Friday we carved our jack-o-lantern for our classroom. I can't wait for the fun things we have planned for next week! 😊

Our favorite book of the week was Pete The Cat Trick of Pete. As we read this book we talked about staying safe while out trick or treating! We also learned about bus safety this week and read a book about being safe on the school bus.
