

October

class newsletter

This week has been so much fun! We have been learning about community helpers. We made firetrucks and garbage trucks out of shapes. We talked about our five senses this week using apples. We know that we can taste, smell, see, touch and even hear apples when we bite into them. Fall break starts tomorrow (Friday the 8th) and we will return to school on October the 18th. I hope that everyone has a wonderful and safe fall break and we can't wait to see everyone back!

The main book that we focused on this week was Big Pumpkin. The children loved it! At the end of the story the witch, ghost, vampire, mummy and bat make pumpkin pie. So we made pumpkin pies in a cup and most of us loved

it!
