

Mrs. Bryce, Mrs. Jessie, Ms. Tracy and Mrs. Susanne's Weekly Newsletter

Week of: August 16th – 20th

We are learning:

This week we have had so much fun! We have been doing small groups. In our small groups this week we got to learn about the block area in our room that will soon open up. We also talked about the first letter in our names and made that letter with stickers! One of our favorite books that we read in large group this week was Pete The Cat Rocking In My School Shoes. We even made a classroom book of our school shoes which is super fun to read! Our class count of books read is 47, keep up the awesome work and keep reading! Have a fantastic weekend!

Dates to know:

- Brooks has a birthday coming up on September 11th
- Please remember to read at least one book a night and record it on your reading log!

Wishlist

Snacks- I wanted everyone to know that one of our sweet friends is allergic to peanuts. So if you can then please try to keep away from snack containing peanuts 😊 Thank you! (We will always double check here in the classroom)
