## We are learning:

We have had such a fun time during our first week of the 3K class! We have been learning about our roles and routines here at school. We have been learning about how we stay safe in our classroom and all of our friends names! This week we have read the book NO, DAVID!, the kids loved this book and they have been talking about it all week! We will continue to review our routine next week so that we can have an awesome year of learning. We also celebrated Niyans birthday on Tuesday and we love celebrating our friends!
