

Dear Parents,

On Tuesday, May 20th, we will be taking all of the kindergarten classes to the Butler-Mason YMCA pools for an end-of-the-year kindergarten celebration. We have rented the YMCA pools and will have multiple lifeguards on duty. In addition, all teachers will be prepared to play in the water with the students.

We need your help. We are inviting as many parents as possible to assist us with this day by suiting up and swimming with our students. To keep this a family-friendly event, we ask that all adults refrain from wearing bikini bathing suits. **No younger or older siblings will be allowed for this event. If a child is not a Hand-In-Hand kindergarten student, he will not be allowed past the gate into the swimming area.** The YMCA has lifeguards planned for the number of students that we have swimming. The YMCA will not be responsible for any additional children.
