

Dear Parents,

On Friday, May 23, 2014, we will be taking all of the three-year olds and students with special needs from our elementary schools to the Butler-Mason YMCA pools for an end-of-the-year celebration. We have rented the YMCA pools and will have multiple lifeguards on duty. In addition, all teachers will be prepared to play in the water with the students.

We need your help. We are inviting as many parents as possible to assist us with this day by suiting up and swimming with our students. To keep this a family-friendly event, we ask that all adults refrain from wearing bikini bathing suits. **No younger or older siblings will be allowed for this event. Children who are not students in the classes participating will not be allowed past the gate into the swimming area.** The YMCA has lifeguards planned for the number of students that we have swimming. The YMCA will not be responsible for any additional children.

We will swim from 9:30 – 10:30. At 10:30, we will walk to the park for a picnic lunch. We plan to return to school by 12:00.
