

# June

How many of these activities can you complete each day? Color each box that you complete! Challenge your child to work as independently as they can on these, but please also assist them when needed too. :)

## READING

## MATH

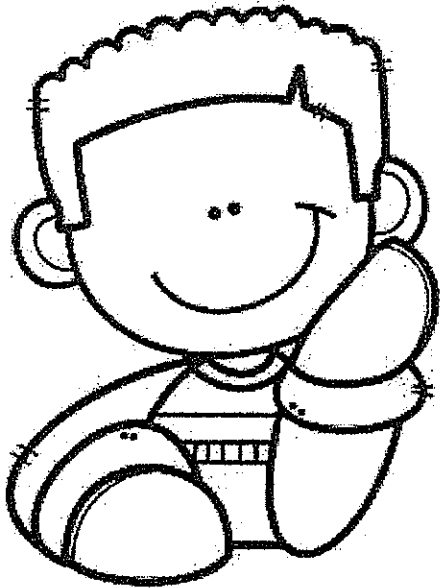

## EXPLORATION

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Sing your ABC song to a family member.	Read a book with a family member.	Write your name with your favorite color.	Tell me 2 words that rhyme with hot.	Read 2 books with a family member.
Complete the Alphabet trace sheet with your favorite color.	Tell me 3 words that rhyme with cat.	Find a cozy spot in your house and read a story to a family member.	Trace your name with glue. Add beads to the glue to form the letters in your name.	Sing your ABC song with a family member.
Count to 20 while you wash your hands.	Pick a number from 1-10 to practice and hop that many times. Next touch your toes that many times too.	Ask a family member to hold their breath while you count to 20.	Write the numbers 1-10 to practice on little pieces of paper and hide them around your home. Ask a family member to call out a number for you to go and find. When you collect all the numbers, you WIN!	Match top and bottoms of plastic containers. Count how many sets you matched.
Complete the Trace and Color Shape sheet.	Use toothpicks to create shapes in your environment.	Have a family member count while you hold your breath under water while taking a bath.	Count to 20 while you wash your hands.	Go on a shape hunt around your house. Find something that is shaped like a circle, square, triangle and rectangle and draw it on a piece of paper.
Draw a picture of the weather today.	See what will sink or float while you're in the bathtub.	Have a picnic lunch with a family member.	Help your family with a chore. Draw a picture of what you did to help them.	Draw a picture of what you did today at home.
Create a "Pet Rock" and make sure to name your pet.	Have a family member trace your shadow and decorate it together.	Help cook something with your family.	Play shadow tag with a family member.	Create a picture using toothpicks.
