School Program

Book Fair - Come browse the wide variety of books available

(All Book Fair funds raised support school programs)

A special request: Students often wonder what school was like when you were young. This year we ask grandparents to come to the event prepared to answer a question about their school years. This year's question is:

What was your favorite subject and why?

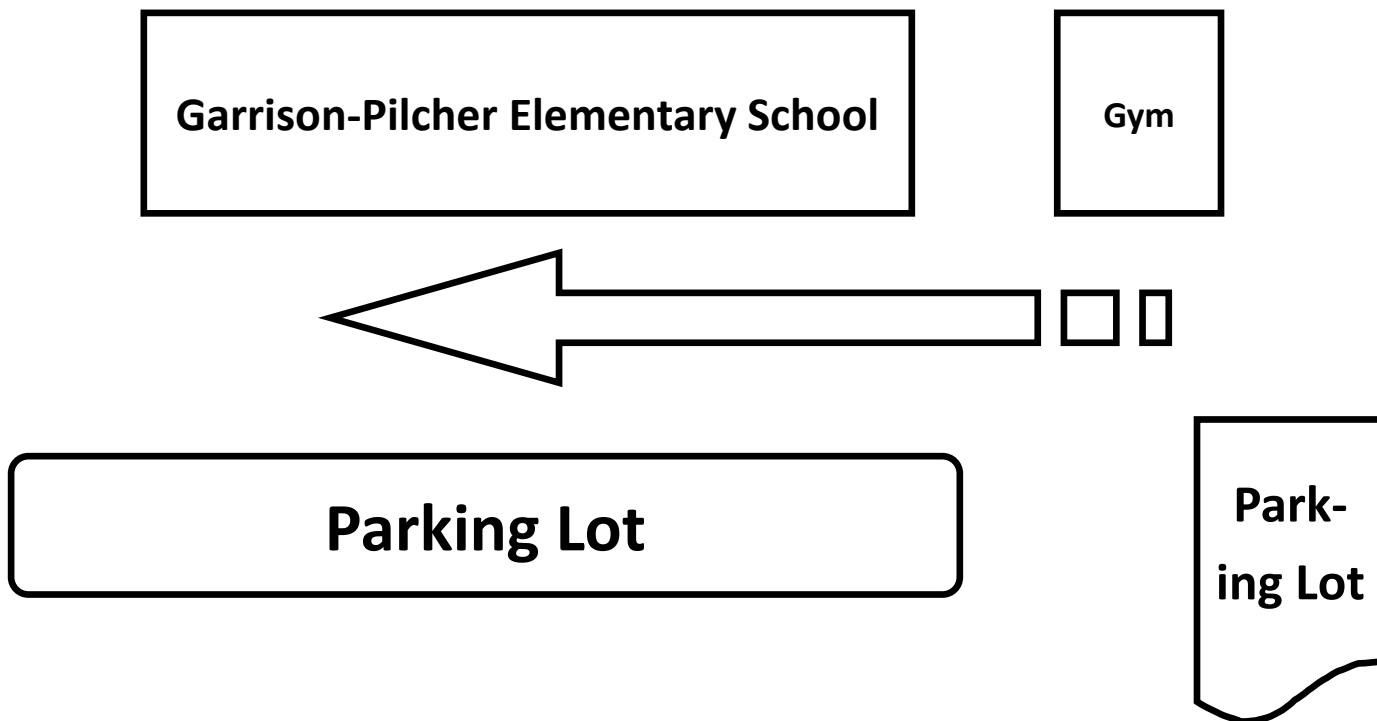

During visits in classrooms, teachers will invite grandparents and grandfriends who wish to speak to do so. We'd love to hear your memories and stories!

The school's address, directions, and parking information are provided on the back of this sheet. Note that students can leave with their grandparent(s) or grandfriend only if parents have supplied the school with a signed permission note.

We look forward to seeing you and we thank you for joining us!

If you have any questions, please feel free to contact Richard Williams, Parent Involvement Coordinator at (229) 225-4387.
