The 2017 STINGER football camp is open to all interested 5th graders at Thomas County Middle School.

The camp will instruct kids on proper techniques at each position both offense and defense.

Students will also be split into teams for a round robin football tournament on Friday, March 17, and parents are welcome to attend.

Instruction will be led by the Yellow Jacket football staff as well as Varsity Yellow Jacket players who will work and demonstrate the proper techniques.

The goal of the camp is to teach fundamentals and character that the campers will be able to take with them in football and everyday life.

We look forward to giving back and serving the community with this effort.
