

2018 TCCHS
Summer Reading
Challenge 9th-12th
Grade Students

Your challenge: Read for 30+ minutes every day.

Your goal: 8 books

What you must turn in:

- *The title and author of each book*
- *Where you found each book (for example: at home, the public library, a bookstore)*
- *A 6-8 sentence paragraph that summarizes each book and explains your feelings towards the book*

An example:

Title and author: Counting by 7's by Holly Goldberg Sloan

Where I found the book: the public library

Paragraph: The book Counting by 7's is about a girl named Willow Chance who has to find a new family after her adopted parents die in a car crash. Willow is not your average girl. She is different and strange, so fitting in is always hard for her. Even though things are tough for Willow, she learns that family is important and all families are not the same. I liked this book because it is funny and sad all at the same time. My favorite character was Willow's guidance counselor named Dell. The things they discover at his house really made me laugh!

You can either type or write your responses. They are due to Mr. James in the media center no later than 3:30 PM on August 10, 2018. (This is the first Friday of the school year.) For more information, you can email Mr. James

All students who meet the requirements will be entered into a drawing for a gift certificate to the Bookshelf in Downtown Thomasville.
