GEOMETRY

COURSE & UNITS

COURSE:

This course allows students to pull together and apply the accumulation of learning that they have from their previous courses, with content grouped into six critical areas, organized into units.

UNITS:

1. Transformations in the Coordinate Plane
2. Similarity, Congruence, & Proofs
3. Right Triangle Trigonometry
4. Circles & Volume
5. Geometric & Algebraic Connections
6. Applications of Probability

Go to this website for a detailed list of the standards:

<https://www.georgiastandards.org/Georgia-Standards/Pages/Math-9-12.aspx>

M

aterials:

- Pencils
- Paper
- Calculator (TI-30XS Multiview)
- 3-ring Binder
- Chromebook

WHAT WILL

BE GRADED?

20% Daily 25% Quiz 35% Test 20% M&M

COMMUNICATION

I will communicate with students and parents through Remind. To subscribe, text the message @quigggeo to the number 81010. I also use Google Classroom as a way to contact students about assignments they need to complete. If I need to talk with a parent about a specific case, I will email or call them individually.

MUGGLE MAIL: jrquigg@tcjackets.net

LATE/MAKE-UP WORK

The expectation is that you submit all assignments on time. All assignments from a given week will be due the following Monday by 8:00am.

If you are absent, it is your responsibility to look on Google Classroom to know what you missed.

Technological issues do not excuse you from completing your work.

TECHNOLOGY

A Chromebook or your personal computer will be required for my class. Chromebooks can be checked out for free from the Media Center. A phone is NOT an acceptable substitute for a computer.

CELL PHONES ARE NOT ALLOWED IN MY CLASS.

There will be a few occasions where cell phones will be used for instructional purposes. All other times, your cell phone will need to be placed in the hanging cell phone caddy. If you have your phone in class, I will confiscate it and send it to the office for pick up at the end of the day and notify your parents.

Classroom Rules:

1. Put your cell phone in the phone caddy.
2. Sit in your assigned seat.
3. Bring all your materials including a CHARGED Chromebook or other laptop.
4. Begin following the instructions that will be on the SmartBoard.
5. You may not leave class during the first or last 10 minutes of class.
6. There will be no eating in class.
7. Remain seated until the bell rings.

If you fail to follow instructions given by the teacher, that is considered to be insubordination and may result in detention in or a referral.

BE RESPECTFUL. BE SUCCESSFUL.

This room is more than just a classroom. It's our spot to learn, to grow, to teach, and to become productive in our scholastic efforts.. Let's work together to build up a positive environment with lots of energy. Be respectful. Be responsible. Be successful.
