

What's BUZZIN' at Hand-In-Hand Primary School March

PRINCIPAL'S MESSAGE

Spring is right around the corner and the weather is perfect for playing outside! Exercise is just as important for a child's growth and development as learning the ABCs and 123s. Children who exercise have fewer health problems and are better able to attend to academic tasks!

UPCOMING DATES

March 2- Lucky Scramble
 March 8-Teacher Workday/Student Holiday
 March 11-First Day of the 4th Nine Weeks
 March 12- Papa John's Night
 March 15-St. Patrick's Day Celebrations
 March 17- Report Cards Issued
 March 28- DQ Night
 March 29-Easter Parties
 April 1-5 Spring Break

TEACHER OF THE YEAR, SUPPORT STAFF OF THE YEAR,
SUPPORT TEACHER OF THE YEAR

STEAM CLASS

This month we painted spring flowers with watercolor paints. Some of our friends' artwork was chosen to be on display at The Wiregrass Gallery in downtown Thomasville in celebration of Youth Arts Month.

THE BOOKWORM

What a fabulous Read Across America week we had with all of our guest parent and grandparent readers! Thank you to everyone who joined us in the library to celebrate reading! February was also spent learning about a kingfisher and reading a Caldecott winning book, Mel Fell. Lastly, we worked with Osmo, a STEM activity, to complete tangrams.

COACH'S CORNER

Thank you for all your support for our Lucky Scramble Golf Tournament!

COUNSELOR'S CORNER

Our kiddos are well versed in identifying their feelings, so help them put their new knowledge to use! Have them practice with you by identifying how they're feeling in various moments. For example, maybe they're wanting to play one more game, but it's time for bed. Help them to discover the feeling that they're feeling in that moment is disappointment. Remind them that we all have moments of disappointment - even as grownups!

FAMILY ENGAGEMENT COORDINATOR

Children need to know they are loved, that you are proud of them and pleased by the accomplishments. Show your child you care:

- Find ways to say "I love you" everyday.
- Make time to talk with your child and listen to what he/she says.
- Monitor your child's school work. Talk about his/her progress and acknowledge his/her accomplishments.
