Writing sentences and telling what we would like for Christmas.

Understanding that people celebrate Christmas different ways.

Parents, please help your child learn their address.

Thank you everyone that sent in the items that were needed to make our special Christmas snack. I think the children enjoyed the treat.

While out and about, please take a few minutes each day and have your child: tell you their address, count to 100, and practice a few sight words. Also, please continue to read to your child and have them answer some questions about the story. Don't forget to add those books to the reading log.

An easy way to practice sight words is to use them with any game your child plays. Have them pick a card and tell you the word before they have their turn/move.

Mrs. Trudy and I would like to wish everyone a safe and Merry Christmas. We are looking forward to seeing everyone back in January.
