**Word Study Letters:** /ug/ut

**Math:** Addition and Subtraction

**Writer's Workshop:** Writing about plants and why you like them.

**Science:** rocks and soil

The end of the year is quickly approaching! On **Wednesday, May 16th**, our wing will graduate from Kindergarten. Please begin making arrangements now and make every effort to be here, for your kiddos, that day! It is such a special event for them, and we want you to share it with them. You may also want to plan to do something special with your child to celebrate their achievement that day. Your child will not have an attendance penalty if they are signed out after graduation. We encourage you to make this day special for them!

Parking and seating will fill up fast. Plan to be early for the program.

**Fun ways to practice  
Sight words: Spot Light**

Write the sight words your child is practicing on sticky notes or pieces of paper. Place on the walls. Turn off the lights and let them shine a flash light on a word and read it. See how many they can read in 2 minutes.

If you have not already done the online survey, please take a minute and do it now. Go to the Thomas County School site (see below). On the home page you will see "Current News" and under that "PARENT SURVEY". Thank you for doing this.
