Parents, please discuss with your child the importance of graduation. The children don't understand that this is not a play time or the time to act silly. We are trying to stress how important graduation is, and that they need to follow directions, sit quietly, and not act silly while doing the program. We also don't want anyone to fall off the stage. We want everyone to shine and you to have great pictures of this special day. Thank you for your help in this matter.

On **Wednesday, May 16th**, our wing will graduate from Kindergarten. Please make every effort to be here, for your kiddos, that day! It is such a special event for them, and we want you to share it with them. You may also want to plan to do something special with your child to celebrate their achievement that day. We will be having a book fair that week too. Your child will not have an attendance penalty if they are signed out after graduation. We encourage you to make this day special for them!

Parking and seating will fill up fast. Plan to be early for the program.

**Fun ways to practice
Sight words: Spot Light**

Take "sight word" cards and hide them around the house or outside. Give your child a list of words to find. Set a timer for 3 minutes and see how many words your child can find. They must read them to you in order to win.

If you have not already done the online survey, please take a minute and do it now. Go to the Thomas County School site (see below). On the home page you will see "Current News" and under that "PARENT SURVEY". Thank you for doing this.
