Week of August 11, 2023

Important Dates

September 4- Labor Day No School
September 14- Grandparents Day

What We Learned This Week:

It has been a wonderful first week! Mrs. Madorah and I have loved getting to know the children! We are working on building relationships with each child to ensure a successful school year! We've introduce procedures and routines and the children are eager to learn! We sang songs like, "The Wheels on the Bus" and "Beanie Bag Dance". We enjoyed several beginning of the year books but they especially liked, No David! The children enjoyed our table top toys and playing on the playground. Coming up next week, we'll continue to practice routines and procedures. We'll also begin our specials! We're really excited to ride trikes on Monday! In small groups, the children will tear paper and glue it to their beginning letter of their name, they will practice washing hands and we'll introduce the block area! It will be a fantastic week!

Hand in Hand Reads

is a school wide goal of reading at least 1,500 books by the end of the school year! In your child's blue folder, record the number of books that you read to your child each night.
